UNKNOWNSTO HUMANS.  
A WAR HAS STARTED!!

war began.

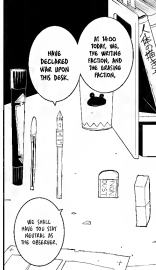

# DESK WAR

Dowman Sayman

on the top  
of my desk.

# DESK WAR

When  
 I come back,  
 I always find  
 my wrecked  
 stationary  
 scattered  
 everywhere.

Combat  
 continued while  
 I was in school.  
 I can't even  
 imagine what  
 it looks like.

# DESK WAR

everything  
was back  
to normal.

When I  
woke up .

Maybe the  
lack of sleep  
from those  
all-nighters  
I've pulled.

Maybe I was  
only tired

I...

as well as  
talking or  
fighting.

The  
stationery  
stopped  
walking  
around.

I threw it  
all away.

All the  
stationery  
I used to  
preciously  
keep.

■ PEOPLE AND STATIONARY, WHAT ARE THE NEW  
POSSIBILITIES THAT WILL UNITE THEM...?
